WORKPLACE GIVING AND MATCHING GIFTS

Many employers sponsor matching gift programs and will match charitable contributions made by their employees. Check with your Human Resource or payroll department to determine if they have a matching gifts program and what are the next steps in the process. The Matching Gift Program is a great way for you to double your gift! Please email Susan Ross, Director of Development at development@matthewshelpcenter.org for questions or for donation verification, or call 704-847-8383 x 299.
