

**MISSION:**  
*To provide short-term crisis assistance to our neighbors in the Greater Matthews community*

## **Information on Making an Estate Gift to the MHC**

Thank you for your request to learn more about naming the Matthews HELP Center in your will/estate plan. We would be honored you would consider leaving such a legacy for future generations to come who may need our help and support.

Since 1979, the MHC has been providing short-term crisis assistance to residents of the Greater Matthews Community. We provide financial and non-financial support to families who qualify. We offer a hand-up to individuals and families so they can remain in their homes with their utilities connected while they work to resolve their crisis and get back on their feet.

A bequest is a gift of any amount made outright in your will. You may include a charitable bequest when you execute a new will, or you can add it to an existing will. Bequests to Matthews HELP Center are very important and will help us continue to support families in need in the future. We appreciate your consideration in leaving a legacy.

**Please provide the information below to your estate planning advisor.**
